## Description:

The National Pollution Control Day or National Pollution Prevention Day is observed on December 2 every year in India. The objective of the day is to raise awareness about the different measures to control pollution and the prevention of industrial disasters. National Pollution Control Day is especially observed in the memory of people who died in the Bhopal gas tragedy of 1984.

Keeping this aim in view, NSS unit, IIC & IQAC cell of PRES's, College of Pharmacy (For Women), Chincholi, Nashik celebrated "National Pollution Control Day" on 2<sup>nd</sup> December 2023. Students of college and NSS volunteers participated and celebrated day enthusiastically.

NSS unit, IIC & IQAC cell of PRES's, College of Pharmacy (For Women), Chincholi, Nashik, took a sincere effort on the Occasion of National Pollution Control Day and organized National Level Online Quiz to spread awareness about the problem caused by increasing pollution among the students. The Theme of "National Pollution Control Day 2023" is "To breath clean, let's go green". There were 10 multiple choice type questions each carrying 2 marks. E-Certificate was provided on registered email address for those participants who scored more than or equal to 60% score.
