OUR MOTIVATION

CHAIRMAN'S MESSAGE

Pravara Rural Education Society, PRES in short was established by the Pioneer of Cooperative Society in Asia, Padmashree Dr. Vithalrao Vikhe Patil in 1964, with the aim of bringing quality in the lives of rural people through education. He fiercely advocated Women Empowerment in those days and the education society upholds his values and beliefs even today.

Over the past five decades, the education society has set up 102 institutions imparting quality education ranging from KG to Ph.D under the exemplary vision of Padmabhushan Awardee Late Dr. Balasaheb Vikhe Patil.

The Pravara Rural Education Society is transforming education by incorporating latest changes as per the need of the hour. We believe in providing quality education while upholding moral ethos. Over the past five decades, we have a strong alumni network of over 92,000 alumni. In tune with our belief that Pravara is a family, we have started the initiative of actively connecting with our Alumni on both National and International levels. The Alumni have been instrumental through engaging their expertise in moulding the youth of today by providing their life changing experiences, mentoring, training & placement assistance, success stories etc. The youth of today would be benefited at large due to this experience sharing which shall enable them to select the proper path in their life by seeing live examples of alumni who have excelled in all walks of life.

We ensure that the students passing out from each of our institutions have the right balance of Technical knowledge coupled with human values which shall enable them to face the world.

I invite you all to join us and be a part of Pravara Family.

Hon'ble Dr. Radhakrishna E. Vikhe Patil
Chairman, Pravara Rural Education Society, Pravaranagar

OUR MOTIVATION

CSO'S MESSAGE

At Pravara Rural Education Society, we believe that education is a powerful means of transforming lives and empowering individuals to contribute meaningfully to society. Building on our rich legacy and commitment to rural development, we strive to provide quality education that combines academic excellence with human values.

In an era of rapid technological and professional transformation, PRES is committed to fostering innovation, research, skill development, entrepreneurship, and industry-oriented learning. Our student-centric approach encourages learners to think critically, explore new ideas, develop leadership qualities, and become confident, responsible, and future-ready professionals.

We continuously embrace emerging technologies and modern teaching-learning practices to create a dynamic and inclusive educational environment. Our dedicated faculty, strong alumni network, and collaborations with industry and academia further enrich the learning experience.

We welcome every student to the Pravara family and encourage them to learn, innovate, excel, and serve society with integrity. Together, let us carry forward the legacy of excellence and build a brighter and empowered future.

Hon'ble Dr. Sushmita Vikhe Patil
CEO, Pravara Rural Education Society, Pravaranagar

From the Principal's Desk

Dear students,

The College of Pharmacy (For Women) was established in 2006 with great visionary thoughts of Hon'ble Shri Balasaheb Vikhe Patil that to provide women with a modern, liberal education and thus transform society and the nation. We have modern lab duly equipped with advanced instruments. Our campus is Wi-Fi enabled. We have excellent library equipped with latest books including book bank facility to the students.

We have spacious class rooms equipped with latest teaching aids. Our college is committed to maintaining an academically rich and professionally competent environment by encouraging the enterprising skills of our students. Our faculty members do support and play a vital role in the overall development of our students and the institute.

With the support of qualified, dedicated and hardworking faculty, the institute has achieved enviable ranking in a short span and I have no doubts that with this pace, College of Pharmacy (For Women), Chincholi will march ahead of other eminent institutes at the national level. Our teaching-learning process is mainly based on motivation and motivating factors. We believe in disciplined, secured, congenial, serene, relaxed, and stress free environment of education to achieve coveted educational destination.

I am Proud to say that our students are doing excellent in academics, sports and cultural activities with high values and ethics. The institute provides scholarships to economically weak students with good academic records. The management is highly supportive for the overall development of the students and faculty.

I extend my best wishes to all the students in reaching their objectives and goals that lead to true success in their career path.

Thank you, with best wishes

Dr. Charushila J. Bhangale,
Principal

GENESIS

The Pravara Rural Education Society established in July, 1964 had twin objectives of providing high class education system comparable to the best in any urban area and to give a fillip to the empowerment of women through need based education. Under the vigilant eyes of Padmashri Dr. Vithalrao Vikhe Patil the Pravara Rural Education Society started its rapid growth and began to play a key role to meet the diversified educational needs of people of Maharashtra in general and Pravaranagar in particular. While Pravara Public School and Pravara Kanya Vidya Mandir were getting on their feet, Padmashri set about the task of starting Marathi Medium Schools and covered all the forty villages in and around Pravaranagar. His intuitive vision led him to the firm conviction that if quality education is provided to rural youth, they will play a dominant role in building the Nation. Further, he believed that education of a woman means the education of the whole family.

The vision of Honorable Padmashri Dr. Vithalrao Vikhe Patil was carried forward by his son, Late. Padmabhushan Balasaheb Vikhe Patil, who took Pravara Rural Education Society to great heights with his vision and tremendous leadership who has started number of institutes in rural areas in the field of Pharmacy, Engineering, Technology and Medical Sciences. Presently more than 30,000 students are studying in these institutes. Out of which more than 5,000 girls students are residing in hostel with social security and atmosphere conducive for studies.

The society has been awarded as Best Education Society in Maharashtra and also certified by ISO 9001-2000. At present, the Pravara Rural Education Society is doing stupendous progress under the dynamic leadership of Honourable Chairman - Namdar Shri. Radhakrishna Vikhe Patil, the illustrious son of Late. Padmabhushan Balasaheb Vikhe Patil.

WE AT A GLANCE

Our institute was started in the year 2006, PRES's, College of Pharmacy, (For Women), has achieved the status of Centre for Excellence within a short span of time. The College is affiliated to Savitribai Phule University, Pune. Empowerment of women through education has been the single-minded mission of this college. Today Savitribai Phule University has become a symbol of excellence in higher education opportunity. Since the pledge of the college is to impart excellent education and training to the student, there is a perpetual attempt to attain higher levels of quality. Besides having highly qualified faculty with rich academic and industrial experience, the college has a well-designed infrastructure with spacious and well equipped laboratories, updated and spacious library and a playground.

GOALS

To enrich students with knowledge, skills and research aptitude to successfully compete for entry level position in Pharmaceutical Industry and Healthcare Service Sector, especially Wellness and Nutraceuticals Industry or pursue higher education M. Pharm, MBA or Ph. D. in Pharmaceutical Sciences and related interdisciplinary field.

Develop, integrate and apply knowledge through pharmaceutical sciences (i.e., pharmaceutical, social/ behavioural/ administrative, cognitive and clinical sciences) to evaluate the scientific literature, explain drug action and reactions, solve therapeutic problems and advance population health and patient care with pharmacy practice.

To develop the capacity building abilities and value addition of students to become a good teacher who will work effectively both as team member and as leader in various educational institutions and academic research for society and students.

To engage students in innovative activities by using in generous thinking to envision ways of accomplishing social entrepreneurship or to run a NGO.

To develop a women pharmacist who will cater the demands needed by society about providing medicines for various health ailments and as a proprietor.

DEGREES OFFERED

BACHELOR OF PHARMACY

The programme has been designed to deal with manufacturing, sale of life saving drugs and their safe and effective use. The course trains students in various aspects of pharmacy and makes them eligible to take multiple responsibilities in the pharmaceutical sector.

Name of Degree	Duration	Intake Capacity
B. Pharmacy- Choice code: 520182350	4 Years	60

Eligibility

First Year B. Pharmacy

Candidate should have passed the HSC examination or its equivalent examination with Physics & Chemistry as compulsory subjects along with one of the subject Biology/ Mathematics. (Group percentile marks as per the DTE Notification.) For Maharashtra State/Minority candidates seeking B.Pharm admission, MHT-CET is mandatory; for All India candidates, NEET may be considered with preference over MHT-CET.

Direct Second Year B. Pharmacy (Lateral Entry)

Candidate should have passed Diploma in Pharmacy with at least 45% marks (at least 40% marks in case of Backward Class category and person with disability from Maharashtra State only) from PCI approved institutions.

MASTER OF PHARMACY

M. Pharm is a future oriented specialization programme in the field of Pharmacy. It is designated for successful B. Pharm candidates to develop advanced laboratory skills and techniques for application within the pharmaceutical industry as well as spearhead innovative research ideas for further development.

The Three major specializations offering M. Pharm are;

Name of Degree	Duration	Intake Capacity
M. Pharmacy (Pharmaceutical Quality Assurance) Code: 520112550	2 Years	15
M. Pharmacy (Pharmaceutics) Code: 520181750	2 Years	9
M. Pharmacy (Pharmacology) Code: 520182150	2 Years	9

DEPARTMENTS

Pharmaceutics Department has been established having an illustrious faculty. The department consists of comprehensive instruments/ machines such as Dissolution rate test apparatus, Disintegration apparatus; Eight station franz diffusion cells, Rotary Tablet Punching Machine, Brookfield Viscometer, All purpose equipment, etc. This department also has a separate Parenteral section, well equipped with Laminar Air Flow, Air Handling Unit and sterility testing kit.

Pharmacognosy Department has initiated various scientific endeavors like herbal standardization, isolation and characterization of phyto-constituents and their biological activities.

Pharmaceutical Chemistry and Analysis Department is well equipped with latest high tech instruments and modern facilities like double beam UV-Visible Spectrophotometer, HPLC, Humidity chamber, Microwave oven, etc.

PROSPECTUS

Pharmacology Department has a separate CPCSEA registered Animal House with different animals required for experimentation. The department is equipped with Plethysmometer, Actophotometer, Cook's pole climbing apparatus, Student organ bath with rotating drum, Rotarod apparatus, Spirometer, Eddy's Hot Plate Analgesiometer, Electroconvulsometer and also X-Pharmacology software for facilitating students for animal related activities.

Medicinal Garden: There is a Herbal Garden with an array of Medicinal Plants inside the main College building which are marked with their botanical name, common name and uses so that students can get real time idea regarding plant based medicine.

PG Department is to train the pharmacy graduates in **PHARMACEUTICAL QUALITY ASSURANCE, PHARMACEUTICS and PHARMACOLOGY** to cater the ever increasing need of Pharmaceutical Industry and Academia. Department of **PHARMACEUTICAL QUALITY ASSURANCE** and **PHARMACEUTICS** has grown as a center for providing post graduate training in various activities such as Formulation, Development, QA & QC and many more. **Department of PHARMACOLOGY**, that deals with the therapeutic action and toxicology for existing and new drug candidates in the biological system.

FEATURES & FACILITIES

ECO-FIREINDLY STRUCTRUE

College was instituted with a view to meet the demands of rural area as well as to provide professional course for women to meet socio-economic demands. College is located in educational campus of Chincholi on Nashik-Pune Highway, 10 km from Nashik Road, 70 km from Shirdi. Campus is spread over a beautiful area of 73 acres and is encircled by starting hills. It is situated in calm, peaceful and pollution free environment best suited to academic pursuits. The cool breeze from the lush green area provides a healthy study atmosphere to the students.

FACULTY MEMBERS

The college has adequate number of well experienced and efficient faculty members. They have a high sense of dedication and motivation for the course of technical education. All of them have Master Degree in Pharmaceutical Sciences and have several years of experience. Many of them have to their credit several research publications in National and international journals. Academic excellent is achieved by regular mentoring of students by faculty.

The college is conducting Seminars at frequent intervals with the view to update the knowledge of the teachers and nurture the students to develop tutorial skills.

EDUCATIONAL LOAN

The college shall provide assistance for the students to procure educational loans from Banks.

SCHOLARSHIPS & FIANANCIAL AIDS

- Scholarships for reserved category students.
- Cash Prize for students showing academic excellence.
- Scholarships for meritorious students.
- Scholarship for economically backward class.

CLASSROOMS

All the classrooms are spaciouly designed and are well furnished with necessary technical teaching aids like OHP, LCD Projector and power supply.

CENTRAL INSTRUMENT ROOM

The Central Instrument room has FTIR, Vacuum Pump, Centrifuge, Transdermal Cell Apparatus, Rheometer and several other instruments to facilitate research activities. Students have become well conversant in using sophisticated analytical instruments like HPLC, UV-Visible Spectrophotometer, Fluorimeter and Dissolution Rate Testing Apparatus.

THE COLLEGE LIBRARY

The Central Library is an essential component of the institute's outstanding education and research mission. The college library has a good collection of technical books including text books, reference books, and handbooks. It subscribes for a wide range of technical journals and periodicals. The library remains open from 9.00 am to 5.00 pm and night library facilities is also run by institute. E-library facility is available for students.

PROSPECTUS

COMPUTER LABORATORY

Our computer laboratory is equipped with computers having internet access available to all students. It is available for use to students for their regular computer practical sessions as well as for preparation of seminars/symposia and presentations. The entire college has wireless LAN connectivity.

SEMINAR HALL

State of art, well equipped seminar hall is used extensively for seminars, panel discussions & hosting cultural events.

HOSTEL ACCOMDATION

Hostel with all amenities, recreation hall and dining halls have been constructed. The hostel is supervised by a team of rectors and assistant rectors. Assistant rectors stay with students in the hostel. A utility vehicle is available round the clock to meet the emergency needs of students.

TRANSPORT FACILITY

The institute provide excellent transport facility to the girls and staff from different parts of Nashik City, its suburbs and Sinnar.

ADDITIONAL FACILITIES

A very good canteen exists in the college campus. Gymkhana Facilities like table tennis room, Gymnasium, indoor badminton, multipurpose hall are available. The college has excellent playground with facilities for outdoor sports like cricket, hockey, basketball, volleyball etc. A general store functions within the college campus and supplies textbooks, instruments and consumer stationary articles to the students.

TRAINING AND PLACEMENT CELL

The Placement Cell constantly keeps in touch with the Industry to ascertain the technology advancement and plans well in advance for bridging any gap in addition to what students learn in their curriculum. In order to keep pharmacy professionals acquainted with the latest development in the field of pharmacy, the institute conducts training programs from time to time for students as well as academic staff.

The students are provided the platform for developing interpersonal, technical and business skill so that they can face the global challenges of today and the future.

To boost up the confidence gained during studies in class room and laboratories, the third year students have to undergo industrial training of 4 weeks duration. This activity is organized by student Training and placement Cell. This center is responsible for liaison with industries for getting good placement for students by arranging campus interviews.

Teaching faculty are also undergoing one week industrial training for getting acquainted with latest technologies and recent trends followed in industries.

Every semester Industrial visits are arranged for every class to have a look at the working and functioning of the industries.

Special Guidance

THE CODE OF CONDUCT FOR THE STUDENTS

Students/Parents/ Guardians are specially requested to note the rules of discipline and the code of conduct for the students of College of Pharmacy, Chincholi.

- The students are bound by the all the rules and regulation made by the college from time to time. Any matter not provided for in these rules shall vest at the absolute discretion of the principal who also serves the right of modifying these rules as and when felt necessary.
- To safeguard the ideas of character and personal behavior of students, the college reserves the right to expel any student at any time for any reason deemed sufficient by the Principal as misbehaviour in the college campus.
- The Principal reserves the right to remove from the rolls the names of any student for failure to pay the college or hostel dues within the time.
- Students are required to read the notices put on notice board of the college. The college shall not accept any responsibility for any loss/damage incurred by a student owing to her failure to read the notices in time.
- Every student shall carry her personal identity card supplied by the college and produce the same when called for by the authorities of the college. The identify card shall be renewed every year.
- The students are required to show the regard for then rights and property of the college. Any student found guilty of tampering or damaging the property like fixtures, equipments,

furniture, books, buildings, vehicles etc. of the college or its sister institutions shall be punishable and liable to expulsion from the college.

- If a progress of the student is consistently poor she may be advised to leave the course with information to parents or guardians.
- Students are prohibited to bring the powered vehicles in the premises of the college.
- Anyone found indulging in ragging in any form within or outside college and hostel shall be instantly expelled from the college.
- Every student shall be punctual and regular in attending classes, practicals and sessional exams. Immediately on admission every student has to equip herself with tools and instruments and set of text books etc. for the class work and laboratory practice.
- Attendance of 75% of the total working days is compulsory.
- No student shall be allowed to appear for exams unless she has paid all her dues of the college/hostel, her progress, conduct and attendance is found satisfactory and is certified as having completed her journals and team work prescribed for the year satisfactorily.
- Students shall use prescribed uniform while working in laboratories and classrooms. Students shall wear college uniform whenever prescribed by the college authorities.
- Industrial visits and educational tours as and when arranged by the college are compulsory for every student. The student shall have to bear full cost of such visit and tours.

Legal Jurisdiction

Any legal dispute between the college and student or her guardian arising out of relation established out of admission will be dealt with court of CJJD Sinnar, Nashik, Maharashtra State within whose jurisdiction premises of the institution are located and institution functions under the Pravara Rural Education Society.

Reservation Rights

The management preserves the right to delete, add or amend the rules given in their prospectus as and when feel necessary.

ANTI-RAGGING POLICY

P.R.E.S.'s, College of Pharmacy (For Women) is committed to maintain ragging free atmosphere within or outside of its campus. To achieve this, we are following all the instructions issued by Pharmacy Council of India, Savitribai Phule Pune University, University Grants Commission, Government of Maharashtra and Supreme Court of India.

WHAT IS RAGGING?

‘Ragging’ means display of disorderly conduct, doing of any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student in any educational institution & includes:

- a. Teasing ,abusing, threatening or playing practical jokes on, or causing hurt to such a student; or
- b. Asking a student to do any act or perform something which such student will not, in the ordinary course, willingly, do (Maharashtra Prohibition of Ragging Act, 1999)
- c. The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

Ragging has several aspects which include psychological, social, political economic, cultural and academic dimensions. The political aspect of ragging is apparent from the fact that incidents of ragging are low in institutions which promote democratic participation of students in representation and provide an identity to students to participate in governance and decision making within the institute bodies.

PUNISHMENT FOR RAGGING

A) The Maharashtra Prohibition of Ragging Act, 1999 states that

1. Penalty for ragging

Whoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term

which may extend to two year and shall also be liable to a fine which may extend to ten thousand rupees (Rs.10,000/-).

2. Dismissal of student: Any student convicted of an offence under Section 4 shall be dismissed from the educational institution such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.

3. Suspension of students

(i) Whenever any student or, as the case may be, the parent or guardian, or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of that educational institution shall, without prejudice to the foregoing provision, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence and shall immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action.

B) Administrative action in the event of ragging:

The institution shall punish a student found to be guilty of ragging after following procedure:

a) Anti-Ragging Committee of the institution shall take an appropriate decision following the recommendations of the Anti-Ragging Squad.

b) Anti-Ragging Committee may, depending on the nature & gravity of guilt recommends one or more of following punishments namely;

i. Suspension from attending classes and academic privileges or withholding or withdrawing scholarship/ fellowship and other benefits,

ii. Debarring from appearing in any test/ examination

iii. Withholding results

iv. Debarring from representing the institution in any regional, national or international event,

v. Suspension/expulsion from the hostel

vi. Cancellation of admission

vii. Rustication from the institution for period ranging from one to four semesters

viii. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.

CAREER OPPORTUNITIES FOR PHARMACY

Our Preceptors

Dr. Charushila J. Bhangale
Principal
Experience: 18 Years
M: 9011140176
E: charushila.bhangale@pravara.in

Department of Pharmaceutics

Dr. Sachin B. Somwanshi
Associate Professor
Experience: 17 Years

Mr. Vikas D. Kunde
Associate Professor
Experience: 14 Years

Mr. Balu T. Jagtap
Assistant Professor
Experience: 11 Years

Ms. Bushra S. Sayyed
Assistant Professor
Experience: 05 Years

Ms. Neha S. Kadbhane
Assistant Professor
Experience: 05 Years

Dr. Sheetal B. Gosavi
Assistant Professor
Experience: 09 Years

Department of Pharmaceutical Chemistry

Dr. Atul N. Khadse
Associate Professor
Experience: 17 Years

Dr. Kiran B. Dhamak
Associate Professor
Experience: 17 Years

Dr. Vinayak M. Gaware
Associate Professor
Experience: 16 Years

Dr. Rahul D. Khaire
Associate Professor
Experience: 12 Years

Dr. Kaveri M. Nannor
Assistant Professor
Experience: 12 Years

Ms. Sayali J. Chotve
Assistant Professor
Experience: 08 Years

Ms. Jyoti R. Bhagat
Assistant Professor
Experience: 01 Years

Department of Pharmacognosy

Dr. Roma M. Sharma
Assistant Professor
Experience: 14 Years

Mr. Roshan Sanap
Assistant Professor
Experience: 01 Years

Department of Pharmacology

Mr. Kiran B. Kotade
Associate Professor
Experience: 18 Years

Mrs. Sangita N. Bhandaree
Associate Professor
Experience: 23 Years

Mr. Mayur T. Gaikar
Assistant Professor
Experience: 12 Years

Mrs. Snehal D. Jadhav
Assistant Professor
Experience: 08 Years

Ms. Diksha N. Jadhav
Assistant Professor
Experience: 03 Year

PHARMACY

Location

The institute is located on the Nashik-Pune Highway, 12 kms. from Nashik Road, and 70 kms from Shirdi of SAI BABA. The campus is spread over a beautiful, lush green area of 24 acres encircled by picturesque hills.

Nearest Airports :

Ojhar : 25 km.
Pune : 190 Kms.
Mumbai : 200 kms.
Shirdi : 70 Kms.

Nearest Railway Station:

Nashik Road : 12 kms.

Nearest Bus Stand :

Nashik Road : 12 km.
Sinnar : 10 kms.

By Road

Pune : 200 Kms.
Mumbai : 180 Kms.
Shirdi : 70 Kms.
Nashik : 20 Kms.
