Vision

To emerge as the most preferred pharmacy educational institute with global recognition and developing competent and socially sensitive pharmacists committed to healthcare needs of society.

Mission

To develop students as global citizen with conscience, commitment and dedication.

To create world class facilities and ambience for advanced level of teaching, research and practical training.

To recruit and retain highly motivated and qualified faculty to promote the cause of teaching and learning.

PHARMACIST'S OATH

I swear by the code of ethics of Pharmacy Council of India, in relation to the community and shall act as an integral part of health care team.

I shall uphold the laws and standards governing my profession.

I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.

I shall follow the system which I consider best for Pharmaceutical care and counseling of patients.

I shall endeavor to discover and manufacture drugs of quality to alleviate sufferings of humanity.

I shall hold in confidence the knowledge gained about the patients in connection with my professional practice and never divulge unless compelled to do so by the law.

I shall associate with organizations having their objectives for betterment of the profession of Pharmacy and make contribution to carry out the work of those organizations.

While I continue to keep this oath unviolated, may it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!

Should I trespass and violate this oath, may the reverse be my lot!

Chairman's Message

Hon'ble Shri Radhakrishna E. Vikhe Patil
Leader of Opposition, Maharashtra Legislative Assembly
Chairman, Pravara Rural Education Society, Loni

Pravara Rural Education Society, PRES in short was established by the Pioneer of Cooperative Society in Asia, Padmashree Dr. Vithalrao Vikhe Patil in 1964, with the aim of bringing quality in the lives of rural people through education. He fiercely advocated Women Empowerment in those days and the education society upholds his values and beliefs even today.

Over the past five decades, the education society has set up 102 institutions imparting quality education ranging from KG to Ph.D under the exemplary vision of Padmabhushan Awardee Late Dr. Balasaheb Vikhe Patil.

I extend my heartiest compliments to the College of Pharmacy (For Women), Chincholi, Nashik for their college magazine "SPANDAN 2017-18" which is being published soon.

"SPANDAN" will be a source of inspiration for the budding pharmacist and writers among students. It will renovate their creativeness to new extent of mature expressions. This magazine will also be able to provide information regarding the advancement being made by the leading and distinctive organization made the field of Pharmacy Education.

I congratulate the Principal Dr. Priya Rao and all teaching and non teaching faculties for their insistent efforts in the release of "SPANDAN 2018."

Shri Radhakrishna E. Vikhe Patil
Chairman

Principal Desk

Dr. Priya Rao
Principal,
College of Pharmacy (For Women), Chincholi, Nashik

I am glad that the magazine 'SPANDAN 2017-18' is being released by the combine efforts of the Staff and Students of PRES'S College of Pharmacy (For Women), Chincholi, Nashik. I am sure that it will provide an opportunity for both faculty and students to explore their hidden talent in literacy, arts, crafts and other extracurricular will come out though this magazine. It is against this background that the contributors' viz. teachers and students of B. Pharm, and M. Pharm may focus on these important topics and bring a quality Magazine.

I would like to accord my thanks and acknowledgement to our Chairman Hon'ble Shri Radhakrishna Vikhe Patil, Joint Secretary Hon'ble Shri Bharat Ghogare, CEO Shri Dr. Ashok Kolhe, Director Shri Haribhau Aher for their constant encouragement and support they are rendering. I take the opportunity to appreciate and congratulate the Editorial Committee Mr S. B. Somwanshi & his team for their efforts in bringing out the Magazine in a beautiful manner.

I extend my good wishes for the successful publication of this magazine.

With Warm Wishes...

Message from Editors

Dear Readers,

“The medals don't mean anything and the glory doesn't last. It's all about your happiness. The rewards are going to come, but your happiness must be in just loving the sport and having fun performing-Jackie Joyner-Kersey.”

While handling over this beautiful piece of creation to all readers, our feelings are not different than what above quote means. This task was indeed not an easy one but everyone's contribution and efforts made it possible. Our heartfelt gratitude goes to each one of them.

First and foremost, we are immensely thankful to our chairman, Hon'ble Shri. Radhakrishna E. Vikhe Patil, Pravara Rural Education Society, Pravaranagar for being a pillar of strength by our side. We are simply running out of the words to thank enough Principal, Dr. Priya Rao for showing belief in us to shoulder this huge responsibility. We hope that our team has lived upto the expectations and we become successful in creating this masterpiece.

We tried to incorporate every little thread of the success story of this institute in this magazine.

It would have been impossible for us to carry out this task without contribution of our student representatives and all other student magazine committee members.

We also thanks to all staff members from the magazine support committee. May this affectionate bond shall keep us together forever.

Wish you happy reading.

Mr. Sachin B. Somwanshi

TRAINING AND PLACEMENT CELL

The Placement Cell constantly keeps in touch with the Industry to ascertain the technology advancement and plans well in advance for bridging any gap in addition to what students learn in their curriculum. In order to keep pharmacy professionals acquainted with the latest development in the field of pharmacy, the institute conducts training programs from time to time for students as well as academic staff.

The students are provided the platform for developing interpersonal, technical and business skill so that they can face the global challenges of today and the future.

To boost up the confidence gained during studies in class room and laboratories, the third year students have to undergo industrial training of 4 weeks duration. This activity is organized by student Training and placement Cell. This center is responsible for liaison with industries for getting good placement for students by arranging campus interviews.

Teaching faculty are also undergoing one week industrial training for getting acquainted with latest technologies and recent trends followed in industries.
