Report on NIRBHAY KANYA ABHIYAN 2018-19

Savitribai Phule Pune University sanctioned a grant for year 2018-19 under Nirbhay Kanya Abhiyan to our college total 03 expert lectures & training program on various topics were organized on various subjects for the girls of B. Pharmacy. Arrangement for the lectures was made in the seminar hall. Total 133 girls' students benefited with this workshop on Nirbhay Kanya Abhiyan. Students of backward class also benefitted with the scheme.

Nirbhay Kanya Abhiyan really helps the students by improving their knowledge with various aspects related with them. They are going to achieve their education goals through this knowledge. We really appreciate the efforts taken by the university to organize these events for colleges. The university is routinely taking such efforts for students and releasing the grants for motivating the college to conduct such activity. We thanks to the Vice chancellor, Director Board of student's welfare and their staff members for helping us. This will also improve the teaching skills of the college teachers.

About College

Our institute was started in the year 2006, PRES's, College of Pharmacy, (For Women), has achieved the status of Centre for Excellence within a short span of time. The College is affiliated to Savitribai Phule University, Pune. Empowerment of women through education has been the single minded mission of this college. Today Savitribai Phule University has become a symbol of excellence in higher education opportunity. Since the pledge of the college is to impart excellent education and training to the student, there is a perpetual attempt to attain higher levels of quality. Besides having highly qualified faculty with rich academic and industrial experience, the college has a well-designed infrastructure with spacious and well equipped laboratories, updated and spacious library and a playground.

Mission

- To impart knowledge, develop skills and competencies in students in pharmaceutical sciences.
- To develop and advanced the knowledge, attitude and skills of pharmacist and faculty member who can provide comprehensive health care, outcomes and meet societal needs for safe and effective drugs.
- To develop, promote and nurture research activities in pharmaceutical sciences and translating research into healthcare.

Vision

To be amongst the top five women's pharmacy colleges in India by imparting excellence in pharmaceutical education.

Energy Audit

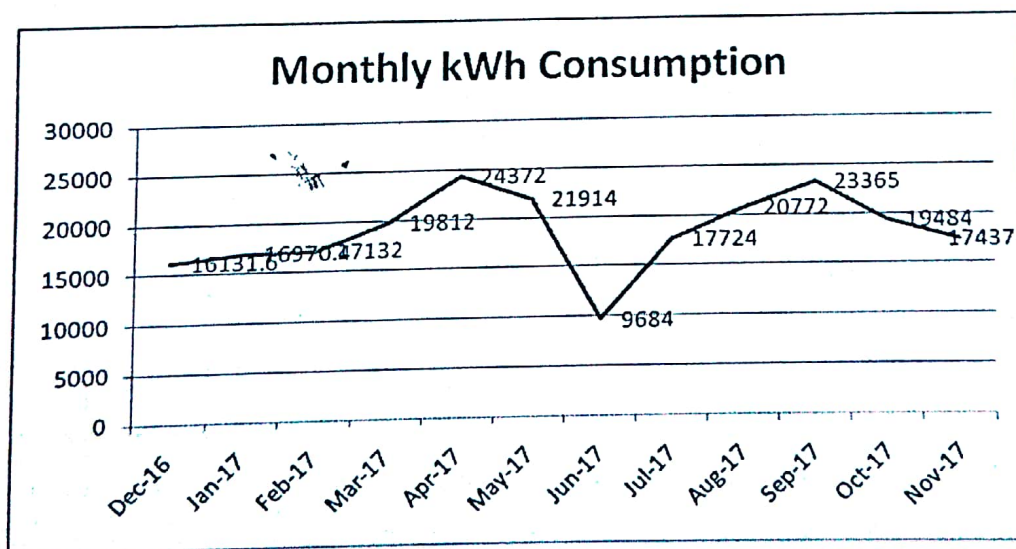

An energy audit is an inspection, survey and analysis of energy flows, for energy conservation in a building, process or system to reduce the amount of energy input into the system without negatively affecting the output(s). In commercial and industrial real estate, an energy audit is the first step in identifying opportunities to reduce energy expense and carbon footprints.

Observations

- Monthly average energy consumption is 18733 kWh
- Monthly average maximum demand is 76 kVA
- Monthly average power factor is 0.948 which is on lower side. Improve the power factor to unity. Most of the time, college is not getting the benefit of power factor incentive in the bill. If college will maintain the power factor unity then college will get 7% incentive on bill
- Monthly average electricity bill is Rs.186845/-
- Avg. unit rate is 10.07 Rs./kWh

MENTOR GUIDELINES AND CODE OF CONDUCT

Mentoring is not a panacea for all the problems and issues related to personal and professional life of your mentee and his/her family. The essence of mentoring is the sustained human relationship. Your commitment and dedication to your mentee may be the most profound opportunity that you experience. The quality of the relationship you build directly influences the life and future of your mentee.

Please exert every effort to maintain **professional standards**, improve your mentor skills, and exercise good judgment when engaged in any activity involving your mentee.

As a mentor you are a: **POSITIVE ROLE MODEL AND CAREER COUNSELOR.**

Please read carefully, the following guidelines and your roles as a mentor-

1. At the initial stages, your mentee may appear to be hesitant, unresponsive, and unappreciative of the mentor-mentee relationship. This guarded attitude is simply a manifestation of his/her insecurity about the relationship. The mentee's attitude will gradually take a positive turn as he/she realizes your sincerity about being a good guide in terms of mentor.
2. Like any other relation mentor-mentee relationship has an initial phase. During this phase the mentee is more interested in getting to know how "real" you are and how much he/she can trust you. So give adequate time to buildup the mutual faith and trust.
3. Establish how you can reach your mentee: by phone, e-mail, or at a designated meeting location like class room/ tutorial room (most preferred). As far as possible all meetings should be scheduled in advanced and should be in notice to the HOD/Dean/Principal.
4. Don't try to be teacher, parent, disciplinarian and psychotherapist during mentor mentee meetings.
5. Don't criticize or preach. Think of ways to solve the problem together rather than lecturing or telling the mentee what to do. **Never have a negative attitude towards your mentee.**
6. Respect the uniqueness and honor the integrity of your mentee and influence him/her through constructive feedback.
7. Always explore positive and negative consequences of each and every point/matter/issue.

Bhargava
Principal

College of Pharmacy, Chincholi
Tal. Sinnar, Dist. Nashik

8. Be encouraging not demanding. There is a big difference between *encouraging* and *demanding*. Encourage your mentee to complete his/her education and pursue higher learning or professional goals; provide access to varying points of view.
9. Assist your mentee in making the connection between his/her actions of today and the dreams and goals of tomorrow. Don't get discouraged if the mentee isn't turning his/her life around or making great improvements.
10. As a teacher cum guide you can share and advise, but know your limitations. **NEVER BE VERY PERSONAL AND SHARE PERSONAL ISSUES. YOU SHOULD PREFERABLY INTERACT WITH YOUR MENTEES IN A GROUP.**
11. Problems that your mentee may share with you regarding substance abuse, molestation and physical abuse are best handled by professionals. If you have any concerns, contact the higher authorities immediately.
12. Be supportive of the parent, even when you may disagree. Don't take sides or make judgments concerning any family conflict or situation. **Leave the parenting to the parent.**
13. There may be instances when your mentee's behavior is unacceptable. Explain to your mentee why you find his/her behavior unacceptable. Don't forget to inform the parent about the steps you took and why you took them.
14. Never use abusive or unprofessional language.
15. Avoid arguments with your mentees.
16. As far as possible female faculty should be the mentor for female students.
17. Always keep record in support of your all actions of mentor mentee programme.
18. Never use alcohol, tobacco or drugs and share your personal things with your mentee.
19. **Entertainment is not the focal point of your relationship. Do not spend an exorbitant amount of money for activities like birthday presents, parties etc.**
20. Be sure you have parental approval for all activities apart from routine academic activities.
21. If you have a concern you feel is beyond your ability to handle, feel free to contact the higher authorities. Never feel helpless or hopeless.
