Details: IQAC cell and Innovation and Startup Cell of PRES's, College of Pharmacy (For Women), Chincholi, Nashik organized e-Workshop on "INNOVATIVE EDUCATION AND EDUCATING INNOVATION" in association with Design Innovation Center (DIC), Spoke of Savitribai Phule Pune University, A Scheme of MHRD, New Delhi, PVP College, Pravaranagar. Expert session began with talk of Prof. Rishikesh H. Autade who focused about how Innovation is important in entrepreneurship. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive. He also focused on how innovation is a facilitator of entrepreneurship and a way of empowering people to take

charge of their lives and economic prosperity. The vote of thanks was given by Dr. Ramdas T. Dolas, Chairman of IQAC cell and Innovation and Startup Cell of college. Total 163 participants were present for the e-workshop. The workshop was coordinated by Dr. Sachin B. Somwanshi & Mrs. S. N. Bhandare.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) entered into on the 28th day of this month of June in the year 2021

The MOU is between

1. Identification of Parties

1.1. SANDIPTM TBI manage by SANDIPTM Incubator Association (A Section 8 Company CIN: U73200MH2018NPL312509), Sandip Foundation Campus, Post Mahiravani, Trimbak Road, Nashik, Maharashtra 422213 HEREAFTER REFERRED AS PARTY A.

And

1.2 Pravara Rural Education Society's, College of Pharmacy (For Women), Chincholi, Sinnar, Nashik HEREAFTER REFERRED AS PARTY A.

2. Background

- 2.1. PARTY A has the crystal guidelines from the expansion of SANDIP™ stated as Startup Assets Nurturing through Diversified and Innovative Platforms. Being the Proactive and Leading Incubator with networking on, its operations on helping the budding and nurturing entrepreneurs and make them self-independent for their startups.
- 2.2. PARTY B functions in and around the region covered under the jurisdiction of Nashik. Its functionalities include:
 - 2.2.1. To foreshorten the probability of failure of early-stage enterprises through handholding of the enterprises.
 - 2.2.2. To initiate regional, national and global market linkages including a network of mentors to enable sustainability and scale for startups under incubation.
 - 2.2.3. To provide a manifesto for commercialization of technologies developed by academic, technical and/or research institutions or even individuals.
 - 2.2.4. To provide physical and virtual infrastructure, as well as cost-effective value-added services such as mentorship, legal, financial, technical and intellectual property related services, to startups.
 - 2.2.5. To build and perpetuate a pipeline of incubatees (i.e. startups).
 - 2.2.6. To engage the wider startup community by organizing networking meet-ups, mentor lunches, demo days/ training ateliers etc.
 - 2.2.7. To assist and nominate their incubates for availing various benefits extended to startups under the Maharashtra State Innovative Startup Policy 2018.

3. Aims and Objectives of the Collaboration

3.1. AIMS

- 3.1.1. To incukate the culture of innovation driven entrepreneurship in the state.
- 3.1.2. To promote new technology/knowledge, and innovation-based startups.
- 3.1.3. To provide platform for speedy commercialization of technology developed by new entrepreneurs.
- 3.1.4. To build vibrant startup ecosystem by establishing a network between academia, financial institutions, industries and other institutes.

4. Objectives of collaboration -

- 4.1. The scope to learn and acquire knowledge: Entrepreneurs are given a tenet so that they can share their ideas and help others to grow too. It also helps to gain all knowledge that enriches a student as a person.
- 4.2. Development of personality and interaction skills: Students who are budding magnate will learn how to groom into a successful entrepreneur and improvise their interaction which is most crucial part of personality development for being an influential tycoon.
- 4.3. **Building up confidence**: As an entrepreneur, we make things happen, we create a vision, lay out the plans to bring the plan to fruition and pursue the steps needed to make the business a success.
- 4.4. Creating leadership experience: Being an entrepreneur, skills such as Self-discipline, communication skills, passion, optimism, patience, and unrelenting work ethics are developed in minds of students so that they can work harder and develop their new ideas for their business.

5. Scope of the Collaboration

- 5.1. Recognizing the importance of technology incubation, many institutions of higher learning have already taken initiatives to nurture this activity. These include policy measures, infrastructure support, entrepreneurial training, IPR facilitation, and create a framework to nurture technology incubation.
- 5.2. The incubation centers provide a host of services to new enterprises and facilitate linkages that are congenial for their survival and growth.
- 5.3. The involvement of the faculty of the institute in the technology start-up activity reinforces teaching and research, strengthens linkages between education and industry, and also better aligns education to meet market requirements.
- 5.4. It is proposed to support such initiatives by providing financial and policy support for strengthening technology incubation activity.
- 5.5. This would nurture technology innovation and in the long run, enable local development of medical and Technical products and packages.

6. Legislative Context

- 6.1. Breaching of the policies and procedures can result in legal action being taken by an affected party withdrawing their support.
- 6.2. There shall be control and the exchange of information and increase the likelihood that information will be accurate and freely given.

 - 7.1.3. Each party shall ensure the work together with mutual understanding and maturity.

8. Focal Points

- 8.1. Incubation Centre is a space for new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions.
- 8.2. Our primary focus is to facilitate a platform for a budding entrepreneur to start a business venture with minimum risks.
- 8.3. Incubation will ensure that incubates have access to technological assistance which will be generated through mentors with multidisciplinary expertise.

- 8.4. We encourage young enthusiasts with creative pursuits with an inherent zeal to be entrepreneurs to take advantage of this novel initiative.
- 8.5. It will not only build base of incubates but also perpetuate a pipeline of startups
- 8.6. More business opportunities: Incubation facility will help students to access to more opportunities and brainstorm for their upcoming project with new ideas and positive outputs.
- 8.7. Support from mentors: Support from faculty as well as mentors will appreciate the budding entrepreneurs and help them excel in their project.
- 8.8. Attraction and retention from amongst the best as faculty and researchers.
- 8.9. Channeling new global technologies and practices into reality. The faculty will learn to take their products to maturity and will attain to potential to absorb technology faster.
- 8.10.To attract significant technology driven entrepreneurs and let them mentor students so that they get encouraged for more projects.

9. Mutual Benefit

- 9.1. The technology incubation will become a nurturing ground for technology startup companies.
- 9.2. This would enhance the relevance of skilling and mentoring to meet the society and market requirements.
- 9.3. This would foster innovation in academic institutions and more indigenous products would emerge
- 9.4. The industries would be encouraged to become product oriented rather than service oriented.
- 9.5. Strengthen the academia industry interaction.

10. Financial Implication

1. Introduction

THE COLLEGE has decided to partner with RUBICON for the conduct of Tomorrow's Foundation Connect with Work Program (hereinafter referred to as "Training Program") at THE COLLEGE.

2. THE COLLEGE Responsibilities:

- 2.1. Shall nominate one person with adequate accountability and responsibility to coordinate the Training Program. He / She would act as the single point of contact for the proposed Programme.
- 2.2. Shall make available the infrastructure (including IT infrastructure, applications and connectivity) required to conduct the Training Program.

- 2.3. Shall provide all the support services and facilities to RUBICON during the conduct of the said Training Program. Adequate power backup through UPS and DG supplies during the training sessions
- 2.4. Shall coordinate with RUBICON and facilitate conduct of all the assessments including the assessment to be conducted by the external agency (if any) identified by RUBICON, as per schedule communicated by RUBICON.
- 2.5. Provide lodging, wherever available, as per the standards of RUBICON for faculty conducting the Training Programme for the total duration of the Training Programme plus two days (one day prior and one day after closure). The lodging so planned to be provided should be with independent room (with attached toilet), regular water supply, clean, with access to boarding facilities, should have well lit approach and surroundings, have adequate safety & protection and peaceful environment.
- 2.6. Shall share the details of students in a prescribed format to ensure that there is no duplication of beneficiaries
- 2.7. This is a multi-year program to create social impact. The college shall share few details to assess the impact of the program. For e.g. Placement details of trained students will be required to assess the impact of the program from one year to another year.

3. Rubicon Responsibilities:

- 3.1. Will provide necessary training as per Training Programme requirements and curriculum for delivery as per Annexure I to this MOU
- 3.2. Will provide suitable faculties for the training exclusive for classroom training
- 3.3. Will conduct assessment of its own and also arrange external assessment as required.

4. Other Terms & Conditions:

- 4.1. Batch Size: The batch size would need to be a min/ max of 35-40.
- 4.2. Each student would be made available for the Training Program for specified number of hours per day for the duration of the Training Program
- 4-3. Pre-assessment & Selection: RUBICON may carry out pre-assessment of the students who have applied for the course and shortlist the select candidates to undergo the Training Program. The final decision on selection of candidates eligible to take the Training Program shall be with RUBICON.

4.4. Programme schedule:

- 4.4.1. Training Program scheduled commencement date 29/01/2020
- 4.4.2. Scheduled Completion Date: 31/01/2020

4.5. Commercials:

4.5.1. Training Fees: The training Fees is as follows,

Since this is a CSR funded Program there is no fee payable by THE COLLEGE for this Training Program

4.5.2. Payment Terms
Not Applicable

4.6. Certification:

Students who are successful in the assessment conducted by RUBICON shall be awarded a certificate post completion of the training program.

4.7. Term of engagement:

This MoU is valid from the date of sign off by both parties for a period of Two years, however both parties agree that based on mutual agreement, the terms may be extended. Both parties also agree that terms may be renegotiated.

4.8. Limitations and Warranties:

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MoU terms by the other party.

4.9. Termination:

- 4.9.1. Both parties can terminate the MoU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MoU in case such default is not rectified within such 30 days.
- 4.9.2. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programmes, which would be without any hindrance and would be progressed for completion.

General Terms:

- 5.1. Both the parties may receive information proprietary to other party (the Confidential Information) in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- 5.2. Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, titles and interests therein.

- 5.3. Both parties shall not use the name and brand of other party in any advertisement or make any public announcement without the prior written approval of the other.
- 5.4. Each party shall be at liberty to terminate this MOU with a written notice period of three (3) month to the other party without any compensation and seeking legal redress.

6. Jurisdiction:

In the event of any litigation, the court of jurisdiction shall be Pune.

7. Indemnification

Both parties agree to indemnify each other and hold the other party harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent, and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees, as related to the terms of this MoU.

Any claim, compensation, case initiated by any student against Aricent in relation to the Training Program due to any acts or omissions of COLLEGE and/or RUBICON shall be defended and contested by the COLLEGE and RUBICON at their sole expenses and cost keeping Aricent indemnified from the same.

8. Limitation of Liability:

Except for the indemnification obligations, both parties agree that the liability would be limited to the amount of actual transactions between the two parties

9. Notices:

Any notices under this MOU will be sent by certified or registered mail, return receipt requested, to the respective address of Parties as contained in this MOU. Such notice will be effective upon its mailing as specified.

10. Intellectual Property Rights

- 10.1. RUBICON explicitly warrants that it owns all the intellectual properties related to content in all formats, the technology framework and all other related objects and the THE COLLEGE has no rights to use the content and mode of delivery for any other purpose.
- 10.2. Each party hereby undertakes to inform the other party of any violation of Intellectual Property Rights or its unlawful use, under prevalent laws of India Further, each of the party herein, agrees to co-operate with the other to the extent possible in the process of investigating such cases of any violation of Intellectual Property Rights or its unlawful use and taking legal action against the said infringement.
- 10.3. Upon expiration of this MoU, or two years period of time from the date of completion of the courses, whichever is later, each party hereby agrees that it shall not make any claim on the Trade Name or the copyrights of the other, which belongs exclusively to the other party, nor shall either party use any trade name which is deceptively or confusingly similar to the trade name of the other.

11. Force Majeure:

- 11.1. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.
- 11.2. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of

the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.
