Date: 12th Dec 2017

Venue:

Village Chincholi, Tal: Sinnar, Dist: Nashik

Organized by:

NSS unit of Pravara Rural Education Society's, College of Pharmacy (For Women), Chincholi, Tal: Sinnar, Dist: Nashik

Primary Objective of the Event:

Surveys to assess dietary intake and nutritional status of the population are essential to monitor ongoing nutrition transition and initiate appropriate interventions. In village, routine reporting of nutritional status by the health and social welfare functionaries is suboptimal. India has therefore invested heavily in periodic surveys to obtain data on nutrition transition. Given its size and variation it is important that at least state level data are available. In view of the known interdistrict variations in the same state and the current emphasis on decentralized district based planning, implementation and monitoring of intervention programmers, efforts are currently under way to collect and report specific data where ever possible.

> Create awareness about nutritional issues and significance of nutrition as an important determinant of health.

PRAVARA

REPORT ON

BLOOD DONATION CAMP 2017-18

Date: 27/09/2017

Venue:

A/P: Chincholi, Tal: Sinner, Dist: Nashik.

Organized by:

Pravara Rural Education Society's, College of Pharmacy (For Women), Chincholi, Tal: Sinnar, Dist: Nashik in association with Arpan Blood Bank, Nashik.

Objective of the Event:

Blood donation is not hazardous and it proves to be a healthy habit that helps blood renewal. The objective of this camp was not just to collect blood units but also to make students aware about blood donation and its benefits. It was an effort to motivate students to come forward and donate for this noble cause. First time donors need to be encouraged so that once the initial hesitation/fear goes away, the donor will look forward to such camps in near future too.

Benefits

- 1. It reduces the chances of heart disease.
- 2. Enhances the production of new Red Blood Cells (RBC)
- 3. It also helps in fighting hemochromatosis. (A disorder that results in too much iron being absorbed from the gastrointestinal tract)
 - 4. Burns calories.
- 5. Basic blood test and few physical tests like weight/BP etc are done free of cost before donation. One unit of blood (Approx 350 ml) can potentially save three lives.

Details of the session:

On the occasion of World Pharmacist Day, National Service Scheme (NSS) unit of PRES'S College of Pharmacy (for women), Chincholi in Association with Arpan Blood Bank, Nashik was organized blood donation on 27th Sept. 2017. Camp was inaugurated by the hands of Principal Prof. C.J Bhangale, NSS program officer, all faculty and students. Maximum students and all staff were tested their blood for the donation. Few students and staff donated blood in the camp. Total 13 blood bags collected from our college Prof. Mr. V. D. Kunde gave the importance of blood donation and benefit of human. Certificate of donation was given to all the donors. All the students were tested for their Haemoglobin content and carried out testing of Thalassemia. Further the reports of same were send to respective students. Students were actively participated in this event. Program officer Mrs. K. T. Vaditake, Mr. V.D. CLEANLINESS AWARENESS AND DRUG REHABILITATION PROGRAMME

Date: 15th August 2017

Venue: Village Songiri, Tal: Sinnar, Dist: Nashik

Organized by:

College Social Responsibility Cell of PRES's, College of Pharmacy (For Women), Chincholi, Nashik

Primary Objective of the Event:

- 1. Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of college students by bringing them face to face with the community situation.
- 2. To provide opportunities to students to play their due roles in the implementation of various development "programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities.
- **3.** Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- **4.** Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth, with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.

- **5.** Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual pursuits, and
- **6.** Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

Details of the Event:

Venue:

Village Chincholi, Tal: Sinnar, Dist: Nashik

Organized by:

NSS unit of Pravara Rural Education Society's, College of Pharmacy (For Women), Chincholi, Nashik

Primary Objective of the Event:

The government made Linking Aadhaar with Pan mandatory. It was the result of latest changes made to the income tax act. The government aims to expand the usage of the 12-digit Aadhaar number. In addition to this, it wants to crub the malpractices associated with pan card.

- > The aim of organizing such camp is to increases awareness about linking of Aadhaar with pan.
- To increase awareness about implications of not linking of Aadhaar with Pan.

Details of the session:

An Aadhaar card-PAN linking camp was organized for the peoples of Chincholi village by PRES's, College of Pharmacy (For Women), Chincholi, Nashik on August 10. The camp was aimed to link aadhaar card with pan and updating mobile numbers with Aadhaar card to help them register. Principal, Dr. Priya Rao guided the gathering about implications of not linking of Aadhaar with Pan.

A lot of peoples of Chincholi village did not have their mobile number linked with their Aadhaar, which is mandatory for the registration. For this, NSS coordinator Ms. Kaveri T. Vaditake, Mr. V. D. Kunde contacted Gram Phanchayat officials of Chincholi village to arrange a camp. Approximately, 200 Aadhaar card linked with Pan during camp.

WORLD PHARMACIST DAY CELEBRATION-2015

"PHARMACISTS: YOUR PARTNERS IN HEALTH"

About World Pharmacists Day

World Pharmacists Day was adopted by The International Pharmaceutical Federation (FIP) Council at the 2009 World Congress of Pharmacy and Pharmaceutical Sciences in Istanbul, Turkey. September 25 was chosen because it is the date that the FIP came into existence in 1912. The purpose of World Pharmacists Day is to encourage activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world.

About Theme

This year theme "Pharmacists: your partners in health" is developed by FIP to stress the confidence and close collaboration that pharmacists have with patients and other health care professionals. It could also be used to emphasise to policy-makers the concept of pharmacists being providers of solutions to governments through their services; a key tactical approach in FIP's vision. The theme covers self-care, but equally relates to all elements of the supply chain, industry, research and hospital. "Partnership, in other words cooperation and collaboration, to ensure that the best possible quality of health care is provided to individuals and the community at large is also a component of FIP's Code of Ethics for Pharmacists and its Model Oath for Pharmacists."

Details of the activity:

44th Sinnar Taluka-level Science Exhibition was organised by the Department of School Education of Sinnar Panchayat Samiti and Sinnar District Math-Science Professor Union at the Pravara Technical Education Campus, Chincholi, Nashik on December 19, 2018 to December 20, 2018.

Inaugurating the exhibition, Hon. Radhakrishna E. Vikhe Patil, Chairman, Pravara Rural Education Society, Loni and Leader of Oppposition, Maharashtra Legislative Assembly said that the best way to improve scientific temper among students was to involve them in study of natural sciences. He also said that a future scientist will be developed by such activities. The students from different schools both from primary and secondary level participated in the exhibition with great scientific temperament and exhibited their knowledge about science and its innovations.

They presented both still and working models depicting different themes such as Water conservation, health and hygiene, Mathematics modelling and digital and tech solutions. Demonstrations and explanations were given by the participants and the spectators including teachers were greatly impressed by their performances.

The programme was executed under the guidance of Prof. (Dr.) K.T.V. Reddy, Campus Director of PTEC, Nashik and Mr. D. L. Sonawane Primary Education Officer.

Details of the activity:

After successful organization of Taluka level science exhibition, Pravara Technical Education Campus, Chincholi, Nashik organized 44th Nashik District Level Science Exhibition 2018-19 was held from January 16 to18, 2019. The exhibition was inaugurated by the Hon'ble Mrs. Shital Sangale, Zilha Parishad Adhyakshya. The exhibition witnessed the participation of 128 teams from different taluka's of Nashik District. The exhibits were evaluated by a panel of distinguished judges drawn from the field of Science, Technology and also from the Industry.

In this exhibition, the participating teams shared their creative ideas and solution to everyday challenges through their innovative working/non-working models, exhibits, projects and presentations supported by reports, display and research findings. It was heartening to notice that the students had been inspired to conceptualize and initiate their personal scientific journey through self-motivation and with a concern for sustainability and inclusivity.
