WORKSHOP ON EQUIPMENT HANDLING 2018-19**

Savitribai Phule Pune University sanctioned a grant for year 2018-19 under **WORKSHOP ON EQUIPMENT HANDLING** to our college total 02 expert lectures & training program on various instruments were organized for the girls of B. Pharmacy in collaboration with RAP Analytical Research and Training Center, Nashik. Arrangement for the handling was made in the Labs. Total 55 girls' students benefited with this workshop on Equipment handling..

The workshop really helps the students by improving their knowledge with various aspects related how to handle sophisticated instruments. They were guided how to handle HPLC and Microwave Synthesizer through this program. We really appreciate the efforts taken by the university to organize these events for colleges. The university is routinely taking such efforts for students and releasing the grants for motivating the college to conduct such activity. We thanks to the Vice chancellor, Director Board of student's welfare and their staff members for helping us. This will also improve the teaching skills of the college teachers.
