Students who are successful in the assessment conducted by RUBICON shall be awarded a certificate post completion of the training program.

4.7. Term of engagement:

This MoU is valid from the date of sign off by both parties for a period of Two years, however both parties agree that based on mutual agreement, the terms may be extended. Both parties also agree that terms may be renegotiated.

#### 4.8. Limitations and Warranties :

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MoU terms by the other party.

#### 4.9. Termination:

- 4.9.1. Both parties can terminate the MoU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MoU in case such default is not rectified within such 30 days.
- 4.9.2. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programmes, which would be without any hindrance and would be progressed for completion.

#### **General Terms:**

- 5.1. Both the parties may receive information proprietary to other party (the Confidential Information) in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- 5.2. Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, titles and interests therein.

5.3. Both parties shall not use the name and brand of other party in any advertisement or make any public announcement without the prior written approval of the other.

5.4. Each party shall be at liberty to terminate this MOU with a written notice period of three (3) month to the other party without any compensation and seeking legal redress.

**6. Jurisdiction:**

In the event of any litigation, the court of jurisdiction shall be Pune.

**7. Indemnification**

Both parties agree to indemnify each other and hold the other party harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent, and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees, as related to the terms of this MoU.

Any claim, compensation, case initiated by any student against Aricent in relation to the Training Program due to any acts or omissions of COLLEGE and/or RUBICON shall be defended and contested by the COLLEGE and RUBICON at their sole expenses and cost keeping Aricent indemnified from the same.

**8. Limitation of Liability:**

Except for the indemnification obligations, both parties agree that the liability would be limited to the amount of actual transactions between the two parties

**9. Notices:**

Any notices under this MOU will be sent by certified or registered mail, return receipt requested, to the respective address of Parties as contained in this MOU. Such notice will be effective upon its mailing as specified.

**10. Intellectual Property Rights**

- 10.1. RUBICON explicitly warrants that it owns all the intellectual properties related to content in all formats, the technology framework and all other related objects and the THE COLLEGE has no rights to use the content and mode of delivery for any other purpose.
- 10.2. Each party hereby undertakes to inform the other party of any violation of Intellectual Property Rights or its unlawful use, under prevalent laws of India. Further, each of the party herein, agrees to co-operate with the other to the extent possible in the process of investigating such cases of any violation of Intellectual Property Rights or its unlawful use and taking legal action against the said infringement.
- 10.3. Upon expiration of this MoU, or two years period of time from the date of completion of the courses, whichever is later, each party hereby agrees that it shall not make any claim on the Trade Name or the copyrights of the other, which belongs exclusively to the other party, nor shall either party use any trade name which is deceptively or confusingly similar to the trade name of the other.

11. **Force Majeure:**

- 11.1. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.
- 11.2. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of

the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

#### OBJECTIVES OF HOSPITAL VISIT:

- As per the syllabus of Savitribai Phule Pune University students of first year should have a hospital or blood bank visit to enrich their practical knowledge.
- To know the Pharmacy Practices in hospital.

## DETAILS OF HOSPITAL VISIT

According to World Health Organisation (WHO), a hospital is defined as an integral part of social and medical organization, the function of which is to provide for the population a complete healthcare, both preventive and curative.

- PRES'S College of pharmacy organized the Hospital visit to **Rural Hospital, Dodi. on 12/03/2021.**
- Students departed from PRES's College of pharmacy at 9.00am and reached to Hospital at 10.00 am.
- **Primary functioning of different** department of hospital were explained to students in brief by **Mr. Rajkumar Anerao.**
- Students were divided in two groups and lead by nursing superintendents **Mrs. V. S. Bodke** and **Mr. Vilas Bodke, Counsellor.**

Students were asked to observe the following aspects of their curriculum:

**Healthcare setup:** Healthcare services are the services designed to fulfil health-based needs of people / community / population, through various resources available. These are delivered by healthcare system that includes the management of health sector and its organizational structure. Students were explained that majority healthcare services in India are provided by the private sector. The government and the private sector are helping in making healthcare accessible in all areas of India; both rural and urban.

The healthcare system/models in India can be categorized under the following

- Primary Health center
- Community Health Centers. Rural Hospital. District Hospital/ Health Centers, Specialty Hospitals
- Universal Health Insurance programmes
- Private Hospitals, Polyclinics, Nursing Homes and Dispensaries

The hospitals play a major role in maintaining and restoring the health of the community.

The main functions of the hospitals can be listed as follows:

- Restorative Functions Under this the students visited different sections to understand the various activities carried out in the hospital:

- a) Out-Patient Department: here patients were seen taking a token mentioning the doctor name and room number where patient would be treated or sent referral. Here a chart mentioning the rights of the patients was displayed along with other charts giving information about various health schemes and disease.

- b) Diagnostic Activity: It includes the inpatient services involving medical, surgical and other specialties and specific diagnostic procedures. In the Rural hospital, students visited X-ray department, Pathological lab etc.

Students observed sophisticated machine used for sample analysis in civil hospital

- c) Rehabilitative Activities: Those activities include physical, mental and social rehabilitation. In the civil hospital, students were taken to those wards where patients are given counselling regarding HIV, hygiene practices.

- d) Emergency Services: It includes emergency services required for dealing with accidents, natural disasters, epidemics, etc. students observed the casualty ward where the emergency patients were treated by the doctors. Student took a tour of a well-equipped ambulance which reaches the patient on dialling 108.

### **Preventive Functions**

The Rural hospital also carries out various preventive functions which include the following: a. Supervision of normal pregnancies and childbirth

b. Supervision of normal growth and development of children

c. Control of communicable diseases

d. Prevention of prolonged illness

e. Provision of health education services

f. Preventive health check-up

Intensive care unit was visited at the last. Here various protocols were displayed to stabilise patients of respiratory problems, seizures and snake bite etc. Biomedical waste management protocols along with coloured bins were placed in every ward.

**Outcome of the visit:**

Students could learn about set up of the hospital in government sector. Various healths related protocols were explained. Ward setup for patients was observed and how the nurses were taking details of the patient was also understood. Students could understand various manpower required in the hospital and their roles and responsibilities at various levels.
