Title of the event	Online workshop on Entrepreneurship Development
Date	13/07/2020
Name of the Expert	Mr. Janak Kunde, Managing Director, Kunde Dairy Farm, Sinnar
Objective :	To aware about entrepreneurship, to encourage and motivate students for entrepreneurship
No. of Participant:	100

An online workshop on “Entrepreneurship Development” was organized by Student Welfare Department of College of Pharmacy (For Women), Chincholi, Nashik under Savitribai Phule Pune University, Pune in on July 13, 2020. The aim of workshop is to make students aware about entrepreneurship, to encourage and motivate them for entrepreneurship, which will boost their inner urge for becoming self-employed in future, to be job creator rather than job seeker. Workshop will make students aware about entrepreneurial practices going on in corporate world that would be shared by young entrepreneurs and trainer.

Expert session began with talk of Mr. Janak Kunde, Managing Director, Kunde Dairy Farm, Sinnar, he enlightened students with grass root knowledge about the ways to start up. His Speech began with innovative ideas which are demanded in market, strategies to convert ideas into business. In addition, he shared his views on importance of entrepreneurship with ample illustrations and discussion. His speech was followed by question answer session in which students get their doubts solved.

At the end, Dr. Kiran B. Kotade thanked all three esteem speakers for their views. The program was quite informative and interesting too. The programme was coordinated by Mr. Vikas D. Kunde.

Respected Ma'am/Sir,

Greetings from Rubicon!

It is my pleasure to introduce **Rubicon**; **Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

Rubicon's "Connect with Work" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. **24 hrs. classroom training on Interview Skills (Details mentioned below).** Due to lockdown this is divided into two parts – 18 hours virtual and 6 hours classroom training. 18 hours of virtual training will be delivered by a Corporate Trainer using Zoom/Webex as a platform – training will be conducted 2 hours per day for 9 days. 6 hours of face to face training will be done once the lockdown is lifted and before the campus placement starts.
2. **Industry visit of students to various organizations.**

3. **Post Placement Mentoring and Career Counselling support to placed students for one year.**

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette

6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

Note: We would like to clarify that neither the student nor the college is required to pay anything for this program.

--

Regards,

Swati Khilare

Hello Sir/ Ma'am,
Good Afternoon,

As discussed, we can conduct the training from 28th January 2021 for 9 days with 160 students

Please Ask students to be ready 15 min before the time with the setup

Dates of training :- 28th Jan, 29th, 30th, 1st Feb, 2nd, 3rd, 4th, 5th, 6th Feb

Note :- As on 31st Jan the is Sunday. There is a holiday.

Regarding time slot we will let you know.
Kindly share the batch wise data of student.

Note :-

1. Ask students to follow all the instructions given in WhatsApp groups given by the Coordinator.
2. The Link will share on the same day and remain the same for all the 9 days.
3. College coordinators ensure that WhatsApp groups are created one day before the training date as per attached batch wise data.
4. Attendance is mandatory in each batch for all 9 days
5. Need to Sign MoU
6. College coordinators have to share trainer's feedback on the 2nd day of training.

Acknowledge the same.

Dear Sharayu,
Greetings from PRES's College of Pharmacy (For Women), Chincholi. Hope you are safe and healthy in this pandemic. As a part of alumni interaction we request you to please guide our students about their future perspective. It will help students to understand various areas to build their career.

Please accept our invitation and acknowledge it.
Date: 27 July 2020
Time: 3:00 to 4:00 pm

Thanking you,

Regards

Dear Sweta,

We are happy with your achievements in RanQ Pharma Sinner Nashik.

We like to invite you for the guidance to the students of our B.Pharm .

Your guidance will definitely act as inculcating seeds in the minds of B.pharmacy students.

Thanking you ,

Regards

NOTICE

All students of third year B.Pharmacy are hereby informed to enroll for 'Clinical Research' course. This clinical research training course will provide through understanding of all important and relevant knowledge areas of drug development and clinical research management. The program has been designed in a way so as to compliment your basic education and to provide you a platform to enter the pharmaceutical and biotech industry as a clinical research professional.

Note:

1. Minimum 80% attendance is compulsory
2. Assessment will be of 50 marks as follows and student should score minimum 25(50%) marks for completion of course
 - I. Viva voce-25M
 - II. Multiple choice Questions-25M

Clinical Research 2020-2021

Learning Outcomes

1. I learner will be able to learn clinical testing of medicines and the translation of Pharmaceutical drugs research in to new medicines also focusing on the need to understand the safety profile of medicines and the benefit risk balance.
2. learner will be able to learn therapeutically align attain faster path ways in commercialization, achieve greater efficiencies through better design and executed clinical research studies and effectively navigat global regulatory requirements to optimize your product success.
3. Learner will be able to learn that clinical research should be conducted ethically to protect the right, safety and will being of the study participants.
4. Learner will be able to learn to demonstrate competency in bio pharmaceutical clinical trial research design and regulatory affairs managements to meet the health and medical needs of current and future biopharmaceutical product consumers.
5. Learner will be able to evaluate cotel domestic and global regulatory health case issues that challenge and influence bio pharmaceutical product development.
6. Learner will be able to learn to forecast the resources necessary for developing and managing bio pharmaceutical clinical research grants and trials as required and regulated by global regulatory agencies.
7. Learner will be able to learn to demonstrate competences in evaluating clinical research data and communicating results.
8. Learner will be able to manage innovative biopharmaceutical biotechnology products through the discovery processes and into the clinical trial phases via identifying research questions and testable hypothesis.
9. Learner will be able to learn to demonstrate advance clinical linking skills necessary to enhance employment opportunities or advance within the biopharmaceutical industry.
10. Learner will be able to learn to effectively communicate and collaborate with health care providers and regulatory agencies to develop culturally divers to domestic and global strategies for biopharmaceutical product approvals.

Brochure for

Certificate Course in

"Handling of Sophisticated Instruments"

2020-21

Course Contents

Module	Content	Duration
1	General Introduction to "Pharma Instruments"	6 Hrs
2	Hands on Training on HPLC	6 Hrs
3	Hands on Training on IR Spectrophotometer	6 Hrs
4	Hands on Training on Dissolution Testing Apparatus	6 Hrs
5	Hands on Training on UV Visible Spectrophotometer	6 Hrs
6	Hands on Training on Brookfield Viscometer	6 Hrs

Note-1. Course will be of 36 Hrs.

2. Minimum 80 % Attendance is compulsory.
3. Assessment will be of 50 marks (multiple choice question for 25 marks & viva voice for 25 marks) & student should score minimum 25 (50%) marks for completion of course..
4. No registration fees for our college students.

Report International Yoga Day 2020

(21st June 2020)

Name of Department/Committee	National Service Scheme (DSF114)
Name of event organized	International Yoga Day(21 st June) '20
Title of the event	International Yoga Day
Date of event organized	21 st June 2020
Name of the coordinator of event	Dr. Sachin B. Somwanshi
Class of the Participant	All B.Pharm and M.Pharm students.
No. of Participant (Student+ Staff)	Students participated online.(122)
Name of the Expert with designation	Miss. Harshada Aher (Yoga Trainer)
Contact Number & Address of the expert	7499548934, Divine Heart Yoga, Pune
Objective of the event	<ul style="list-style-type: none"> -To let people to know amazing health benefits of yoga. -To reduce health problems. -To spread peace in the world. -To promote good mental and physical health of people through yoga.
Outcome of the event	-Students and people got awared about benefits of yoga for mental and physical health.
