Respected Sir,

With reference to the above mentioned subject, all the technical institutes under Pravara Rural Education Society are using the KOHA Library software in their institute from the year March 2015. As per our purchase order, they charge Rs 0.80/- paisa per book record, with GST 18% (as per New Rules) instead of service tax 12.36% (Old Rules) per year as AMC charges.

Therefore for the current year from April 2022 to March 2023, we have to pay Rs,149,529/- to them. I have divided the amount as per the each institute's book record.

I am attaching all necessary documents such as KOHA Library Software AMC Bill, Bifurcation of amount according to institute, Purchase Order for further Bill process.
